Who We Are

The Crisis Resource Center of Steele County is a non-profit organization. All services are free and completely confidential. The Center was established in Steele County in 1990 and provides support and services to individuals affected by domestic abuse and sexual assault.

Statistics

1 in 4 women and 1 in 9 men are victims of domestic violence in their lifetime.

1 in 6 women and 1 in 33 men will be sexually assaulted in their lifetime.

On average, it takes an individual at least 7 times to leave an abusive situation for good.

What Do I Do?

Call the CRC at 507-451-1202. If there is immediate danger, call 911.

Talk in confidence with someone you trust: a relative, friend, etc.

If you choose to remain in the situation for now, set up a safety plan. For example: hide a car key and money in a safe place, and locate somewhere to go in case of an emergency. The CRC has resources available to assist with this process.

Anyone can be a victim of abuse. Anyone can be a perpetrator of violence.

Abuse does not discriminate; it crosses all education levels, ages, races, sexes, religions, abilities and economic classes.

How Can I Help?

Be a Volunteer Advocate
Our volunteer advocates assist the CRC with our 24-hour crisis phone line, answering our calls by use of a CRC cell phone. Primary duties include: listening, supporting, providing information and referrals and assisting law enforcement personnel and emergency room staff with crisis situations involving domestic abuse, sexual assault and child abuse.

Donate old cell phones, used ink cartridges or make a financial contribution
The Crisis Resource Center recycles old cell phones and ink cartridges to receive supplemental funding to support our programs. Some cell phones are also used as 911 phones for victims in need. Any financial contribution you make is tax deductible and will help support the ongoing needs of our clients.

TALK ABOUT IT!
Talking about violence can help develop open communication and make it known that you are supportive and trustworthy. Since violence affects so many people, it is likely that you already know at least one person who has been victimized at some point in his or her life.

If you have any questions, please feel free to contact CRC at 507-451-1202.
